

# CLAIBORNE & CHURCHILL

## DRY RIESLING Edna Valley

### About the Wine

Riesling is widely considered one of the world's greatest wine grapes, and Claiborne & Churchill is proud to be recognized as one of the world's premier Riesling producers. It has been one of our signature wines since our first vintage in 1983, and we are excited to announce the release of this Edna Valley Dry Riesling. Produced in our signature dry style, inspired by the classic Rieslings of the Alsace region. Our aim is to offer the lovely fruit of the Riesling grape in a well structured and dry food wine. Our Riesling can be enjoyed equally well at the dinner table or on its own as an aperitif wine.
