

2025 EDELZWICKER

It's back! Our Edelzwicker ("Nobel Blend") has long been considered the ultimate cult favorite of Claiborne & Churchill. Inspired by the everyday table wines of Alsace, this unique "Nobel Blend" has been a winery tradition for decades, bringing together Gewürztraminer, Riesling, Dry Muscat, and, for added complexity this year, a touch of Pinot Noir Blanc. The result is a wine that is vibrant, expressive, and remarkably versatile. Fragrant aromas of jasmine, citrus peel, and delicate florals leap from the glass, while the palate offers fresh lemon, tangerine, green apple, and a playful hint of gummy bear. Creamy on the palate yet crisp and impeccably balanced, it finishes long, clean, and refreshing. Whether served with a charcuterie board, bacon-wrapped prawns, or spicy Thai cuisine, Edelzwicker is the kind of bottle that disappears quickly.

ALCOHOL 13.2%
HARVESTED Sep 11, 14, 23 & Oct 10, 2025
BLEND 45% Gewürztraminer, 29% Riesling, 16% Orange Muscat, 10% Pinot Noir Blanc
AGING 70% Stainless Steel and 30% Neutral Barrel Fermented and Aged
BOTTLED Mar 25, 2026
CASES PRODUCED 129
RETAIL PRICE \$30

2024 WHITE LABEL PINOT NOIR

Every so often we have the opportunity to share something quite unexpected with our wine club members. Our 2024 White Label Pinot Noir is a wine we bottled primarily for select restaurant accounts, making it one of the rarest wines we offer directly to our club members. Available only in limited quantities, this is your chance to enjoy a true insider's selection. Crafted from cool-climate Edna Valley vineyards just across the road from our winery, the wine emphasizes finesse over power. Aromas of sweet tobacco, blackberry, leather, and black currant give way to vibrant flavors of juicy strawberry, spice, and a hint of watermelon. This fresh and smooth Pinot Noir makes it the perfect summer accompaniment to cedar plank salmon, herb-roasted turkey, or a simple board of Brie, Gruyère, and crusty bread.

ALCOHOL 13.5%
HARVESTED Sep 9-12, 2024
VINEYARD 60% Twin Creeks, 33% Greengate Ranch & Vineyard, and 7% Spanish Springs
CLONES Martini, 667, 115, Pommard, 2A
AGING 100% Neutral French Oak for 7 Months
BOTTLED May 8, 2025
CASES PRODUCED 346
RETAIL PRICE \$42

2025 PINOT GRIS

While our Dry Riesling and Dry Gewürztraminer may be the stars of our Alsatian portfolio, Pinot Gris is the quiet overachiever: a noble (edel) grape capable of remarkable elegance and depth. Sourced from Spanish Springs Vineyard, just a few miles from the Pacific Ocean, the fruit benefits from cool marine breezes and mineral-rich soils that preserve freshness while developing exceptional complexity. The nose is reminiscent of an ocean walk, with floral notes, wet stone, shale, and hints of citrus. On the palate, bright lemon and lush stone fruit mingle with apricot, citrus pulp, subtle spice, and a whisper of salinity. Crisp acidity and a long, clean finish make this a wonderfully pleasant wine with plenty of character. Serve alongside herb-roasted chicken, seared scallops, or a creamy butternut squash risotto for an unforgettable pairing.

RETAIL PRICE \$32

2024 SPANISH SPRINGS SYRAH

Cool-climate Syrah is one of our great passions, and nowhere is this exemplified better than Spanish Springs Vineyard. Grown in the cool hills of Price Canyon, just miles from the Pacific, this remarkable vineyard produces Syrah with freshness, complexity, and unmistakable coastal character. This 2024 vintage opens with aromas of vanilla, fresh blackberries, cracked pepper, cloves, and savory meaty notes. On the palate, dark forest fruit mingles with cigar box, anise, cranberry, and earthy spice, while 10% whole-cluster fermentation adds depth and intrigue. Well-rounded tannins and vibrant acidity carry the wine to a long, energetic finish that invites another sip. At home on the dinner table or aging gracefully in the cellar, this Syrah pairs beautifully with braised lamb shanks, grilled ribeye, or wild mushroom ragù, and will continue to evolve and reward patience for years to come.

SUMMER 2026

Cellar Club News

Summer has arrived in the Edna Valley and the 2026 growing season is off to an excellent start. An early spring gave the vines a leg up this year, and with bloom and fruit set already behind us, we anticipate an early harvest. Of course, Mother Nature still has the final say, but the vineyards are healthy and the fruit is developing beautifully.

At the winery, we're busy finishing up our bottling schedule, and we're excited to share the following new releases with you, our loyal wine club members. Remember, if you're visiting the Central Coast, we hope you'll join us for Friday Happy Hour in the Garden. This will continue every week through the end of September and features rotating food trucks, live music, and your favorite Claiborne & Churchill wines!
